

Dear Teachers and students,

It has been an immense pleasure to have had the privilege of knowing, teaching and working with you all over the past eight weeks.

Evidently, my time here has been one of my most gratifying experiences to say the least. I have thoroughly enjoyed every moment and every conversation I have engaged myself in the three schools as well as outside them.

My experience here has helped me realize new aspects about myself and also taught me a different dimension of life.

I have made some delightful friendships and acquaintances during my stay here and I will always cherish and value that forever.

To all the students, canteen staff, non-teaching staff, and teachers of Bertacchi, Pieve and Aldo Moro, to the Principal and most importantly the Educhange co-ordinator; my sincere thankyou to you all for your consistent kindness, patience, respect, co-operation and wonderful hospitality over the course of two months. I appreciate and acknowledge all of the above tremendously. I truly felt at home!!

Veni.Vidi.Amavi!! Grazie Mille.....

Yours truly,  
Akhil Muthanna."

**Laura Ceresa** Abbiamo avuto l'occasione di incontrare un ragazzo eccezionale. Grazie Akhil per il tuo entusiasmo, la tua attenzione e per aver regalato un'esperienza così bella e significativa ai nostri bambini. Thank you!
